Bryan Walters has successfully served as Chester County's Prothonotary since 2004. The Office of the Prothonotary is the legal custodian of all civil instruments and is responsible for filing, storing and securing various court-related documents including complaints, liens, transactions, as well as handling U.S. passports.

Under Bryan's leadership, the Prothonotary's Office has become modern, efficient, and self-supporting. He offers excellent customer service to the courts, the legal community and the general public.

To show your support, we are asking for a minimum donation of \$50 to attend. Larger donations are welcome. Thank you in advance.
